Mission: Evangelization: Formation in Spiritual

Discernment: That the church may appreciate the urgency of formation in spiritual discernment, both on the personal and communitarian levels.

ARCHBISHOP'S MESSAGE

Return to the Lord

1. Return to the Lord (Joel 2:13)

“Return to me, with all your heart, with fasting, with weeping and with mourning; and rend your hearts and not your garments. Return to the Lord, your God, for he is gracious and merciful, slow to anger and abounding in steadfast love, and relents of evil” Joel 2:12-13

The season of Lent is a grace-filled season. It is a special time of God's love and mercy. Lenten time invites us to return to the Lord. By our sins we have gone away from the Lord. Lent is the favourable time (2 Cor. 6:2) we are invited to return to the Lord with all our heart and to be reconciled to God (2 Cor. 5:20)

The Book of Joel (2: 12-13) and St. Mathew (6:1-18) point out the ways and means as to how we should return to the Lord.

 We should return to the Lord **with all our heart** in truth and humility, fully acknowledging ourselves

as sinners. We should become fully aware that, by our sins, we have turned our backs to the Lord and we have gone away from the Lord.

 We should realize that the Lord, our God is **gracious** and **merciful**, **slow to anger** and **abounding in steadfast love**, and **relents of evil**. God does not want the sinners to die; God wants that the sinners should repent and live (cf. Ez.18:23). There is a great joy in heaven when a sinner repents (cf. Lk. 15:7)

 **Prayer** is an eminent way of repentance and return to the Lord (cf. Mt. 6:5-15). In the **light of prayer**, we see ourselves as we are in the eyes of God and with the **power of prayer**, we take courage to return to the Lord. During the time of lent let us take more time for our personal prayer, family prayer, community prayer. We should be **praying people**. Prayer should be the way of our life.

 Our sincere repentance in the heart should be externally expressed through **fasting**, **weeping** and **mourning** (Joel 2:12). The book of Isaiah (58:6-7) points out that **works of justice and mercy** are the fast that is really pleasing to the Lord: “Is not this the fast that I choose” to loose the bonds of wickedness, to undo the thongs of the Yoke, to let the oppressed go free, and to break every Yoke? Is it not to share your bread with the hungry, and to bring the homeless poor into your house; and when you see the naked, to cover him”.

 Prayer, fast, almsgiving and other works of mercy should be done with **purity of intention**, namely, for the glory of God, and for the good by others and our own good.

🔔 Through frequent reception of the sacrament of confession, let us set right our relationships with God, with our brothers and sisters, with ourselves and with nature. The sacrifice acceptable to God is a broken spirit; God will not despise a broken and contrite heart (cf. Ps. 50:17).

🔔 Let us cease to do evil and learn to do good (cf. Is. 1:17) always and everywhere.

O Mary, Refugee of sinners, pray for us.

2. The Diocesan Synod of Pondicherry 2019

The First Synod of Pondicherry was held in 1844. Bishop Clement Bonand, the Fourth Bishop of Pondicherry conducted the Synod. The Synodal deliberations focused on Evangelization, Pastoral Ministries, Formation of the Local Clergy, Formation and Education of the Children and the Youth through education, Empowerment of Women etc.

“The Diocesan Synod is an assembly of selected priests and other members of Christ’s faithful of a particular church which, for the good of the whole diocesan community, assists the diocesan Bishop”. Canon 460. For a long time we have been praying and reflecting over the celebration of a Diocesan Synod of our Archdiocese in the year 2019 to mark the 175th anniversary of the First Synod of Pondicherry held in 1844. The main theme of the Synod is “**Fullness of the Life in Christ**”. I have constituted, by a Decree, the Core Group Committee to prepare and regulate the whole Synodal process. Let us all pray and prepare ourselves for a fruitful celebration of this Synod.

FROM THE DESK OF VICARS**Media Matters and Batters**

In the present world “money and media” plays a crucial role in a subtle manner. Thirty percentage the media is useful seventy percentage it is misused. This trend affects the church also and without critical and credible understanding if we take the church will become more secular than for what it stands. Media keeps aloof the encounter of persons and it will affect our encounter of the Risen Lord in our spiritual exercises. Unless we are alert and awake, monitor and guide we will undermine our identity and become superficial in our service. As all of us are responsible let us take proper measures in using the media. Let us not, as the world cheats through the media the people of God to a large extent, be tempted and fall under the emotional impact of the present media and the stress of civic world and sports.

Diocesan Synod 1844-2019: Christuvil Pudhu Vazhu

The Risen Lord through the Local Church offers 175 years in the new context for all our concerns. All of us in the Local Church really need to be awakened to the integral renewal of the Second Vatican Council after fifty years (1965-2019). The core group, the preparatory committee and the vicariate teams make the proper use of it and build a vibrant church focusing on the People of God, the Clergy and the Religious.

For the Laity there are two Tamil seminars in NBCLC in January and May since the time of Fr. D. S. Amalorpavadass of happy memory. Few from our diocese have participated in it but still there are so many teachers, leaders, women and youth to make the best use of it. Coming May from 9th to 15th there is a Tamil Seminar and in view of the Diocesan Synod we could send the deserving people for the seminar. Those of us who are in charge can make the best use of it. Let us all extend our full cooperation with our beloved Archbishop to build the Local Church as the Lord desires. Consult, dialogue and animate the people of God in every way possible for the glory of God and the well – being of all.

VOICE FROM METROPOLITAN MATRIMONIAL TRIBUNAL - 89**1. Need of Birth Certificate for Baptism:**

It is strongly instructed that the Parish Priests ask for the birth certificate of the child either from the hospital or from the Panchayat/ Municipality at the time of Baptism and enter the name and other details as they are entered in the birth certificate. In that way, we avoid the discrepancies between the certificates. Kindly pay attention to avoid later complications regarding Baptism Register, since it is very important register for us.

2. Seven Secrets of Happiness

1. LOVE – The surest way of becoming happy is to decide to love. This is the simplest, most practical secret of happiness – not waiting to be looked after, but reaching out in love. We are hurt most in relationships. We are healed best through relationships. Both our greatest sufferings and our deepest joys are linked to relationships – being with someone we love, doing something for someone out of love, and thinking of someone dear to us, receiving a sign of love from someone. We will be tempted to take short-cuts or seek comfort and escape in selfishness;
2. FAITH – If you want to be happy get close to God
3. PURPOSE – If you want to be happy, live for something!
4. GRATITUDE - Want to be Happy? Be Grateful
5. FORGIVENESS – If you want to be happy, learn to forgive!
6. SIMPLICITY OF LIFE – Don't confuse “needs” and “wants”
7. ORDINARY PLEASURES OF LIFE – Enjoy them right now!

3. Celebrate Life with Happiness:

Our existence earth is a journey which begins at birth and ends at the sunset of our life. Every day calls for a celebration because life is a

precious gift of God. Human life can be differentiated into secular and sacred just as water can be analysed into hydrogen and oxygen.

When we drink water we don't drink first two parts of hydrogen and then one part of oxygen. In the same way life can become a beautiful experience, a happy celebration only when sacred and secular blend together."Whether therefore you eat or drink or whatever you do, do all to the glory of God."

Abraham Lincoln said: "This world can no more abide, half sacred, half secular..." Similarly our life cannot live half earthly and half spiritual. Both must blend together until the whole of human life is lifted up into a spiritual beauty.

"Life is not problem to be solved but a reality to be experienced." "Happiness is not something ready-made, it comes from your own action.": Think positively; Network widely; Exercise daily; Eat Healthy; Work hard; Build Faith; Worry less; Love even your enemies; Feel beautiful and Live fully. "We only live once, but if we do it right, once is enough". "No one is born happy but everyone is born with ability to create happiness." "The happiest people don't have the best of everything; they make the best of everything." May the Risen Christ bring the joy, peace, happiness and the fullness of life in everyone's heart through the graceful season of Easter. Thanking you.

Points to Ponder:

- Origins and Purpose of Lent: "Lent" derives from Anglo-Saxon word *Lengten*, which means "lengthen," referring to the days of Spring; Lent = Season of prayer and penance to prepare for Easter; Originally 2 or 3 days of fasting, but 40 days was customary by the 4th century and united with Christ's 40-day fast in the desert (Mt.4:1-11; Mk.1:9-13, Lk.4.1-14).
- LENT: What is the significance of forty days? – In the Bible, forty is the number used to signify enough or ample time; Bible

stories that involve forty days: Noah's Flood, Moses on Mt. Sinai before the Ten commandments, Elijah's walk through the desert to Mt. Horeb, Jonah's warning to the people of Nineveh. St. Gregory the Great considered the six weeks of Lenten weekdays (thirty-six days) as a ten percent tithe of the year. The forty day fast of Jesus in the desert before he started his public ministry (Mt.4:2, Mk.1:13 and Lk 4:2) is the most likely inspiration for the forty days of Lent.

- Lent: Turn away from sin. "Rejoice in hope, be patient in suffering, persevere in prayer." Romans 12:12
- "God is always trying to give good things to us, but our hands are too full to receive them." Like the poor widow in Luke 21:1-4 and the persons in Matthew 13:44-46, we need to give up all our unwanted desires, unhealthy attitudes, worldly attachments, hurting mentality, egotism, etc. in order to be possessed by God.
- "What I am is God's gift to me and what I become is my gift to God."
- "Better to trip with the feet than with the tongue" – Zeno.
- "Space I can recover. Time, never" – Napoleon Bonaparte.
- "The world was not big enough for Alexander the Great, but a coffin was" – Juvenal.
- "Any intelligent fool can make things bigger, more complex, and move violent. It takes a touch of genius and a lot of courage to move in the opposite direction."
– Ernst Schmacher, the author of 'Small is Beautiful.'
- There is a thin line between confidence and arrogance... It is called humility. Confidence smiles. Arrogance smirks. - Unknown.

So, kindly always find some subscribers in your parish, institutions and convents.

02. Senate Meeting

On 24th we had our Diocesan Senate Meeting. I thank you the Vicars Forane, for your effort to collect points for the Senate Meeting. Many of the vicariates had no points. Kindly take some time to reflect about our life and ministry as priests and give some suggestions for the betterment of our life and ministry and also for the administration of our Diocese. We have discussed about all the points given by you. And as some of you wished I shall send the report soon through our diocesan website and WhatsApp.

03. Monthly Prayer Meeting

For the month of March we will be having special Lenten preaching on conversion, repentance and forgiveness along with confession as the preparation for the celebration of the Pascal mysteries on 17th Saturday from 09.30 a.m. to 04.30 p.m. Kindly announce about it to your people on the Sundays during the masses so that people may come and profit by it.

04. Synod

As you are all aware that we have been talking about the Synod in 2019, the Archbishop has given a small introduction regarding the Synod in his message in this News Letter and has also issued a decree announcing the Core Group to work out the modes of operation of the Synod.

Synod is for the Renewal of our faith and to build and strengthen the Kingdom of God in our Diocese. It is a concerted effort of all the faithful to come under the diocesan chief Shepherd, the Archbishop to find out the ways and means of living our faith more vibrantly and effectively so that the society is attracted towards us and be edified by our social, sacramental, spiritual and communitarian life and so that the people in the world may also come forward to become the followers of our Lord Christ Jesus.

Following the decree of the Archbishop, the members of the core group came together for the first time on 23rd February 2018 and decided our goal of Synod as "Fullness of the Life in Christ", (fwpw];Jtpy; epiwtho;T). And we will have a preparatory commission which will decide everything regarding the Synod such as the themes of the Synod, various committees to be formed and the meetings to be conducted on diocesan, vicariate and parish levels, production of the working document of the Synod etc.

The following are the members of the Preparatory Committee. Along with the Core Group, all the VFs, all the Mother Generals and Provincials who have their residence in the territory of our diocese, 5 men religious, 4 Youth (2 boys and 2 girls) and 4 from the Diocesan Pastoral Council (2 men and 2 women). We shall have our preparatory commission meeting on 7th April Saturday in the Bishop's House from 10.00 a.m. to 04.00 p.m.

Kindly go through the Sat-Sangh reports and the circular I sent to you earlier regarding the topics for the Synod and if needed kindly give more topics that need our attention. Then the subcommittee will work out the questionnaire, and will send to all the parishes, convents and associations etc. who will answer the questions after the discussions among them, and give their opinions which will be collected and codified and come-out with working document for the Synodal celebration.

The members of the Synodal assembly will be constituted later and experts for the deliberations of each topic will be selected in future. So dear Fathers kindly get involved in this very important and historical spiritual exercise of our diocese.
